Is co-production really effective?

A counter-narrative from an action-research perspective

Laura Saija
University of Catania

Craft DASTU
Politecnico di Milano
Campus Leonardo - Ed. 11B
via Ampere, 20 - Milano

Final open lecture of the Craft Honours Programme. The seminar "Is co-production really effective?" offers a critical perspective on co-production through an action-research lens.

With **Laura Saija**, the session questions established narratives, exploring conditions of effectiveness, limitations, and real impacts on public action processes.

Discussant: **Anna Moro** and **Francesca Cognetti**, DASTU
